**DECLARATION UNDER 37 C.F.R. 1.131**

Dear Sir:

Andrew John Farnsworth, declarant herein, declares that he is an inventor, of the above-captioned patent application, filed on January 9, 2004; that he conceived his invention in a World Trade Organization country, the United Kingdom, prior to December 19, 2003 (hereinafter the effective date), the filing of the Putcha reference of U.S. Patent Publication No. US2005/0148349A1; that prior to the effective date he prepared a description and drawings of his invention as part of an invention disclosure, a photostatic copy of which is attached hereto; that he does not know and does not believe that his invention has been in public prior to his application, and that he has never abandoned the invention.

He further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States

Appl. No. 10/754,735

Reply to Office Action of September 25, 2006

Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "A. Farnsworth", followed by a period. The signature is written in a cursive, flowing style.

---

Andrew John Farnsworth
